Will your child need to take medication while attending camp? \_\_\_\_\_ MVF Foundation encourages all children taking medications to do so at home prior to coming to camp. Should your child require medication while attending a MVF Camp the following procedure must be followed:

1. A separate medication form must be **completed by physician** and returned to the MVF office. Please call 301-948-0110 to request this form if applicable.
2. This medication form must be signed by the parent or guardian.
3. Directions regarding prescribed medications must be specific and labeled clearly.
4. All medications must be safely secured in their original containers with childproof caps. Prescription medications must have original pharmacy label showing prescription number, date filled, prescribing physician's name, name of medication, directions for taking the medication and the camper's name.
5. Medications must be hand delivered daily to the site supervisors, by the parents with written notification of the time the child required the medication.
6. Our staff will supervise the camper's self administration of the medication as stated on the label. If the camper is unable to self-administer the medication, staff will call 911 in an emergency situation.
7. Medicine may only be administered during camp after one application has been successfully given prior to camp.

Does your child require any assistance to participate in regular camp activities?

## MONTGOMERY VILLAGE FOUNDATION SUMMER CAMPS

We believe that appropriate behavior skills from every camp participant are necessary in order to provide a safe and positive atmosphere. Clear guidelines for behavior help participants know what is expected of them and to act accordingly. Please help your child read and understand the following expectations for behavior so that everyone will have an enjoyable summer experience in MVF programs:

Participant's Name: \_\_\_\_\_

The following expectations for behavior are based on the premise that we should treat others as we would like to be treated:

1. I will listen and not interrupt when others speak.
2. I will follow directions the first time they are given.
3. I will speak respectfully, not using inappropriate language, to staff and other participants.
4. I will be careful with property which is not mine and report any damage immediately.
5. I will keep my hands, feet, and other objects to myself.
6. I will stay with my group or in the program area until a counselor dismisses me.
7. I will not bring anything to camp which might hurt me or someone else - like alcohol, drugs or weapons.

MVF is not responsible for camper's personal items, including cell phones and games. Please do not bring cell phones to camp. If required for parent/guardian communication, they will be kept in the campers bags during camp activities.

Signature of Camper: \_\_\_\_\_

Signature of Parent: \_\_\_\_\_

Parent/Guardian signature acknowledges that the above guidelines have been reviewed and understood with the participant named above.

**Note: Please return this signed form along with the Release Authorization, Medical Form and Permission Slip.**
