

RADON SYSTEMS

OBJECTIVE/GOAL:

To provide homeowners with guidelines for the installation of a radon system.

GUIDELINE DETAILS:

- Requests for a radon system will be reviewed on an individual basis taking into consideration the proposed location and color.
- A radon system should be as inconspicuous as possible and the color of the surface it covers.

APPLICATION CHECKLIST (items to include with your application):

- PIR (Property Improvement Request) form must be completed and signed by the owner.
- A property plat showing the location of the proposed radon system on the house.
- A drawing or picture showing the design of the proposed radon system.
- All measurements, materials and material colors.
