

SECURITY DEVICE GUIDELINES

OBJECTIVE/GOAL:

To provide homeowners with guidelines for the installation of any type of security device for the purpose of securing the home and property.

GUIDELINE DETAILS:

- Requests for any type of security device including cameras, security bars, etc will be reviewed on an individual basis taking into consideration the proposed location and the impact on the home and the community.

APPLICATION CHECKLIST (items to include with your application):

- PIR (Property Improvement Request) form must be completed and signed by the owner.
- A drawing showing the proposed location of the security device on the house.
- A brochure showing the security device including a full description of the device.
- All measurements, materials and colors.
