

SHUTTER GUIDELINES

OBJECTIVE/GOAL:

To provide homeowners with guidelines for the installation of shutters on the house.

GUIDELINE DETAILS:

- Replacement shutters or the addition of shutters must match the original house shutters in length and width as closely as possible.
- If additional shutters are added to the home, they must match the original in style length, and width.
- Shutters should be raised-paneled or full-louvered.
- All shutters on the house must be the same color.

APPLICATION CHECKLIST (items to include with your application):

- PIR (Property Improvement Request) form must be completed and signed by the owner.
- Shutter color (include manufacturer and paint number if painted).
- Shutter material and manufacturer (if vinyl or pre-fabricated material).
- Replacement or additional shutter location.
