The following are general procedures for MVF ballot counting on Saturday, March 3, 2018.

All Election Committee members and approved ballot counters shall report to the MVF Office at 8:30 a.m. Ballot counting will begin at approximately 9 a.m., immediately following orientation and training for ballot counters.

Ballot counting will be conducted in the reception area of the MVF office. Only Election Committee members, approved ballot counters and authorized MVF staff shall be permitted behind the reception counter. Members, candidates and the press are welcome to observe ballot counting from the public area of the reception room provided that they remain quiet and do not otherwise disturb the work of the counters.

PROCEDURES

OPENING OF MAILERS

1. Ballot envelopes shall be opened by MVF staff or authorized counters.
2. Ballots shall be removed from envelopes and placed face down in a manner to ensure secrecy of the vote. The envelopes shall be collected and retained by MVF staff or authorized counters.
3. Contents, other than MVF ballots, shall be given to staff for proper disposition.
4. Due to space limitations, all ballots shall be opened by MVF staff or authorized counters before ballot counting begins.
5. Ballots shall be distributed to the ballot counters by the Election Committee Chairperson or the designee of the Chair.

COUNTING OF BALLOTS

1. Ballots shall be counted using three computers.
2. Prior to ballot counting, an election results report shall be generated to verify that the system is empty.
3. Counters shall work in pairs with an additional person acting in an oversight capacity. One counter will read the name of the candidate; one will enter the vote using a master ballot; and each will verify the vote prior to entering the vote into the database.

4. Ballot counters shall bring any questionable ballots to the attention of the Election Committee Chairperson. Those ballots with more than three votes shall be disqualified. Questionable ballots will be accepted or rejected based on the decision of the Election Committee. Rejected ballots shall be retained.
5. If an error should occur while entering the vote, the Election Committee Chairperson shall be notified immediately.
6. If a ballot indicates a write-in vote(s), all votes, other than the write-in votes, shall be recorded. Those ballots will be set aside; MVF staff will record the write-in votes at the conclusion of ballot counting.
7. "Readers", "Operators" and "Observers" shall rotate as necessary to avoid fatigue.
8. The Election Committee shall monitor the ballot counting process to ensure fairness and accuracy of counting.
9. After each batch of ballots is counted, the ballots shall be collected and secured by the Election Committee Chairperson or designee.
