SHUTTER CRITERIA

- Replacement shutters or additional shutters must match the original house shutters in length, width, style, color, and design.
- Homeowners may apply to change the color of all the shutters on their home if desired, and these requests will be reviewed on an individual basis, factoring in the color palette of the home and the community.
- Homeowners may submit an application to add shutters to a home currently without them, and these requests will be reviewed on an individual basis, factoring in the design aesthetic of the home and community.
- Homeowners who wish to remove shutters from their home must submit an application and receive advanced approval, and these requests will be reviewed on an individual basis, factoring in the design aesthetic of the home and the community.
- Shutters can be raised-paneled or full-louvered, depending on the style of the community.
- All shutters on the house must be the same color and style.
