MONTGOMERY VILLAGE FOUNDATION, INC. ACTIVITY CARD DISTRIBUTION POLICY

Activity Cards must be shown for admittance to certain Montgomery Village Foundation facilities. Only members (or their resident designees) whose assessment accounts, including outstanding administrative fees, legal fees and interest, are at a zero balance qualify for a Montgomery Village Foundation Activity Card as indicated in "Property Rights in the Common Properties" in the Declaration of Covenants, Conditions and Restrictions. If an assessment account is not at a zero balance as of April 30 in any year, beginning May 1 payment of any prior balance as well as the full assessment amount through the end of the current fiscal year must be received as a condition for issuance of an activity card or validation sticker. If paying by check you must allow 7 business days for your check to clear.

Note: Membership rights may be suspended for violation of the MVF Board approved architectural standards and rules.

The following policy is established by the Board of Directors for issuance of Montgomery Village Foundation Activity Cards:

1. Photo Activity Cards are issued to residents of each household over ten years of age. **Children under ten, regardless of their swimming ability, must be accompanied by a cardholder age 16 or over when visiting the pool.**
2. Photo Activity Cards are issued once every five years and are updated with a Validation Sticker in interim years.
3. Each designated-user household (any home in Whetstone, Stedwick, Maryland Place, Northgate, Patton Ridge, Middle Village (Clubside only), North Village, East Village, South Village (only Nathan's Hill, Millrace, Dockside, Grover's Forge and The Hamptons), Poplar Springs and Eastgate) is issued a minimum of two Activity Cards.
4. Annually, homeowners are sent a resident information letter to update, sign and return to the MVF Office. Photo Activity Cards will be issued in person at the MVF Office or as advertised, upon return of the information letter (with proper identification). Assessment accounts must be at a zero balance and there can be no architectural violations, at the time each resident of the property requests a photo activity card or validation sticker. Validation Stickers for Photo Activity Cards that were issued in previous years, valid from mid-May of the current year to May of the following year, will be issued upon return of the information letter to the MVF Office. Validation Stickers are normally mailed, unless the resident wishes to pick them up in person, and except during the period from one week prior to Memorial Day Weekend to the Wednesday after Memorial Day Weekend.
5. Photo Activity Cards are issued throughout the year to new residents and upon notification of change of residency within the Village.
6. Children who will be ten by May 31 are eligible to receive a card for the current year. Children who have turned ten, when accompanied by a parent or legal guardian may receive their individual Activity Cards at the MVF Office. Youth who turn 16 years of age after May 31 may exchange their youth card for a non-youth card at the MVF Office.
7. Designated-user residents (see #3) can swim at any of the Foundation pools. These are Hurley Park, Lake Marion, North Creek, Peggy Mark Pool, Stedwick, Watkins Mill, and Whetstone, ,
8. Non-resident designated-user property owners who have assigned their recreation rights to resident tenants may also retain recreation privileges by paying an additional fee equal to the annual designated-user assessment. This fee entitles property owners and their families to the same privileges as presently available to designated-users (see #3), including general recreational use of centers year-round.
9. Non-designated-user Village property owners may purchase family memberships for use of MVF owned designated-user facilities at a fee equal to the annual designated-user assessment.

10. Photo Activity Cards and Validation Stickers, if lost, are replaced by the Foundation Recreation Department at a charge of \$5 per card or validation sticker; if a second replacement is needed, the charge is \$20. Approval by the MVF Board of Directors is needed for further replacements. Replacement Validation Stickers will be affixed to the card at the MVF office at the time of replacement. Residents who move out of Montgomery Village should return Activity Cards to the MVF Office when properties are sold or re-rented.
11. Re-issuance of Activity Cards to same residence or unit: Once Activity Cards have been issued to a residence, additional sets for the same year will be issued only under the following circumstances and with payment of the associated fees:
 - If the property is sold – no fee.
 - If the property is re-rented or owners assume residency and previously issued Activity Cards are returned – no fee.
 - If the property is re-rented or owners assume residency and previously issued Activity Cards are not returned-\$35
