The Whetstone Afterschool Club is finishing for the school year and making way for summer programs and activities. The afterschool club will return in the fall for the 2018-19 school year.

Get ready to cool off in Village pools

The temperatures have been all over the place lately — some hot 90 degree days and some cool weeks in the 60s. Even with the fluctuation, it's that time of year again — pool season is upon us! And what better way to beat cooler air temperatures than getting a swim in a heated pool? Stedwick Pool, 10401 Stedwick Road, will open on Saturday, May 19, before the other Village pools open. Stedwick will be open weekdays from 3:30 to 7:30 p.m. (closed Thursday) and on the weekend from 2 to 7:30 p.m.

On Saturday, May 26 at noon, one of the most anticipated events in Montgomery Village all year takes place —

the opening of MVF-owned pools and what many see as the beginning of summer in the Village.

Lake Marion, North Creek, Peggy Mark, Stedwick and Whetstone pools will be open Memorial Day weekend. Peggy Mark Pool will be open only on weekends until Saturday, June 16. Watkins Mill and Hurley Park pools will also open for the season on Saturday, June 16. Beginning on Saturday, June 16, each of the seven Montgomery Village Foundation pools will be open six days a week and closed one day, on a rotating basis, for maintenance. Each has

The Reagan Years set to rock South Valley Park

by Mike Conroy

Summers at South Valley Park is back, with an awesome lineup of musical acts and family activities throughout the summer, sponsored by Asbury Methodist Village!

Help kick off the 2018 season with the east coast's original 80's tribute band, The Reagan Years on Sunday, June 3 from 6 to 8 p.m. Bring your family, friends and neighbors, along with your lawn chairs, blankets and snacks, to enjoy the best tunes from the 80s for free! This family-friendly show will be sure to get you singing and dancing to some classic songs.

The rest of the Summers at South Valley Park lineup includes some regular favorites as well as some new acts to the music pavilion stage. Spend your Sunday evenings with the sounds of Diamond Alley, the Montgomery Village Community Band, the U.S. Navy Band Commodores, The Muddy Crows, 19th Street Band, Leify Green and Southern Charm.

But Summers at South Valley Park is more than just Sunday evening concerts! Check out Art in the Park on Sunday, June 24 from 3 to 7:30 p.m. Come for art demonstrations, music, beverage tastings and all things in the arts! Catch Bach to Rock youth bands, the Montgomery Village Blue Notes and the Billy Coulter

Band on stage throughout the day.

Enjoy a movie under the stars with the family on Friday, Aug. 3. Bring your blanket or chairs and watch Disney Pixar's new animated film "CoCo" on the big screen. Doors open at 8 p.m. and the movie starts at dusk.

And continuing the program from previous years, the Wednesday morning Kidjam events are set for three weeks in July. The free kids programs begin at 10:30 a.m. on Wednesday, July 11 and include favorites like Spitz-O-Matic, Pirate Magic and Squeals on Wheels Petting Zoo.

For the full schedule, including dates and times, visit www.montgomeryvillage.com. On the "Summers at South Valley Park" page, you can check out samples of the bands' music in short video clips, as well as go to their full websites for more information on each one.

For all events at the Gordon W. Bowie Music Pavilion, parking is available behind Watkins Mill Elementary School, 19003 Watkins Mill Road. Handicap accessible parking is available by calling 301-948-0110 in advance of the performances. Guests are invited to bring lawn chairs, blankets, picnics/food and beverages for an evening out at the outdoor amphitheater.

Updates from Montgomery County

by David Humpton
MVF Executive Vice President

GOSHEN ROAD PROJECT

This long funded county project became a political football this year as the county council looked for additional funding for schools and other projects. It is clear that the project scale will be adjusted when further planning is commenced, possibly in 2020.

The county has already spent over \$10 million to design the project over the last four years. The project will remain in the CIP, but no additional funding is expected before 2019 except for \$300,000 in FY20 to evaluate possible alternatives to the current project scope.

It is my expectation that they will significantly downscale the project, but include some straightening of the road, intersection improvements and some sidewalk/bike path additions.

HOMEOWNERS ASSOCIATION ROAD MAINTENANCE REIMBURSEMENT

Earlier this year, the county council tried to repeal county law that would reimburse HOAs for private road maintenance, but this failed. However, the county council continued not to fund this obligation, arguing a stressed budget and other priorities.

The county will meet its obligation of passing through state funds to assist with road maintenance for HOAs. The "state" program reimburses HOAs for roads eligible to be counted for State Highway User Revenue; the funds associated with these roads are sent to the county and then passed through to the HOAs. Most of the 50-odd miles of eligible roads under this program are in Montgomery Village, but there are a few miles in Olney and Germantown as well.

The "county" program is supposed to reimburse HOAs for eligible roads at roughly the cost that the county spends to maintain its own roads, subject to the availability of appropriations. However, for two decades the county council has limited the reimbursement to around \$1,000 per eligible mile, a fraction of the cost of maintaining a county road.

For the FY2010 budget, the county council reduced the appropriation to only about \$250 per eligible mile, and for FY2011 through FY2018, they suspended funding for this program altogether. This would be the ninth year with no funding for the "county" program. The good news is that the state continues to meet its obligation. However, if in future years, the county does repeal its reimbursement program, it is likely that the state would follow suit.

SMALL CELL TOWER LEGISLATION

On May 3, the county council's Planning, Housing and Economic Development (PHED) Committee recommended approval of ZTA 18-02 with a few amendments. **ZTA 18-02, Telecommunications Towers - Limited Use** as introduced would have changed zoning regulations related to the placement of telecommunications antennas in non-residential zones and the provision for antennas on existing structures in all zones. But at the conclusion of the two-plus-hour hearing, the committee recommended no changes in the residential zones. This retains the current setback and building height standards for antennas on existing facilities in residential zones, and adds provisions that will require compatible antenna enclosures where antennas are allowed. The ZTA would allow more permissive standards for antennas where they are currently allowed as a limited in commercial/residential, industrial and employment zones.

A majority of the committee also recommended lowering the maximum allowable tower heights for new towers that require conditional use approval. The committee recommended approval of ZTA 18-02 with the amendments it suggested. County staff prepared the amendments, which were adopted by the county council on May 15.

MONTGOMERY VILLAGE NEWS LETTERS TO THE EDITOR POLICY

- The *Montgomery Village News* Letters to the Editor section is a community forum for Montgomery Village residents and/or property owners. In addition, at the Editor's discretion, the *Montgomery Village News* may print letters of appropriate interest to residents from others, including representatives of local schools, governments and businesses. Campaign letters are prohibited, except for Montgomery Village Foundation and Village homes corporation elections. The views expressed in the Letters to the Editor section are those of the authors of the letters and not necessarily those of the Montgomery Village Foundation (MVF) or its Board of Directors.
- The *Montgomery Village News* will make every effort to publish all letters received during the weeks prior to publication that meet the criteria of this policy.
- All letters (typed, handwritten or e-mailed) must be received no later than 5 p.m. on the Monday prior to publication and distribution. When a holiday occurs on a deadline Monday, Letters to the Editor must be received no later than noon on the subsequent Tuesday prior to the Friday publication and distribution.
- Letters must bear the writer's name, address and telephone number for verification purposes. E-mailed letters should contain the subject line "Letter to the Editor." The sole use of pen names, initials or the complete omission of a signature will eliminate a letter from consideration from publication. A request from the author to withhold the name or mark the letter anonymous will eliminate the letter from consideration.
- All letters are subject to condensation or deferral to the next issue by the editor for space considerations, if absolutely necessary. Editor is to so indicate any condensations.
- All letters may not exceed 300 words. Longer letters will be eliminated from consideration for publication in the *Village News*. As time permits, the writers may be notified and given the opportunity to shorten the letter for future publication. Letters exceeding 300 words which meet all other criteria of this policy may be published on the MVF website.**
- The *Village News* respects the privacy of individuals and residents; letters should not contain references to specific persons, except when endorsing candidates for MVF or Village homes corporation elections or referencing a previously published article with a byline.
- Letters submitted by an author regarding the same topic must present new information or opinions; repetitive submissions and/or form letters submissions will only be printed once.
- Letters should be in reference to or contain information about topics relatable to all Montgomery Village residents. Letters addressed to or specifically about homes corporation or condominium association business and affairs will not be printed and may be directed to those association boards of directors when appropriate.
- The Letters to the Editor section is not a forum for extensive debates; MVF encourages residents to use other avenues such as facebook and twitter for timely discussion.
- MVF retains the right to respond to letters to the editor addressing specific issues involving it in the form of editor's notes or other methods at its discretion.
- The Director of Communications, in his/her sole discretion, reserves the right to withhold from publication of inflammatory, slanderous, libelous, or lewd material, or material which may be an invasion of privacy, material deemed in bad taste and inconsistent with *Montgomery Village News* editorial policy, or other language which opens MVF to potential legal liability, and limit the number of letters on a given subject when the number is so large it presents a problem.

E-mail letters to mvnews@mvf.org.

IN THE NEWS

Letters to the Editor

Editor:

It takes a Village! However, Village leadership took a wrong turn in permitting beer and wine sales at the lawn theatre music pavilion while billing it as a family-friendly evening offering music, yard games, food sales and lots of fun. Beer and wine sales are out of place in an environment where families relax in lawn chairs to picnic and enjoy the evening's entertainment!

Furthermore, the MVF has a strict Park Use Policy governing alcohol use:

1. Alcoholic beverages shall not be permitted in the park areas at any time without prior approval in writing being first obtained from authorized Montgomery Village Foundation personnel. Alcoholic beverages are strictly prohibited at ballfields, playgrounds, tot-lots and Lake Whetstone.

2. Requests to consume alcoholic beverages must be submitted in writing. Permission shall not be given to any individual or organization other than Montgomery Village Foundation unless the request for approval states that all attendees will be of legal drinking age.

Drinking in public at the Music Pavilion presents an inappropriate role model for Montgomery Village children. Visions of children somersaulting on the grassy knoll would be replaced by inattentive adults sipping their drinks... perhaps to excess. On the slippery slope of progressive behavior involving social norms, could the sale of beer and wine at the concession stand during baseball games be next? Could this become the new norm for quality time with your children?

Notwithstanding repeated warnings from the moderator of the Whetstone Neighborhood Watch Yahoo Group that this discussion on barring the sale of beer and wine at the Music Pavilion was a "stupid tirade" that could get one banned from the group, the discussion is clearly necessary to ensure that Village children have role models that do not trigger alcohol use.

I urge the MVF Board to bar alcohol use.

Don O'Neill
Whetstone

Editor's Note:

Mr. O'Neill is referencing MVF's Park Use, Rules and Regulations Policy, which was

last reviewed by the Board in 2014.

The Lawn Theatre is part of South Valley Park, and thus the Park Use Policy would be in effect. For the past three years, MVF has held an Art in the Park program at the Bowie Pavilion, and alcoholic beverages were sold by vendors. MVF has had no issues or complaints, and it was a positive experience for those in attendance.

As EVP, I approved alcoholic beverage sales for the Reagan Years concert on June 3. MVF will monitor this concert and may offer beverage sales at future concerts, depending on any issues that might come up. We see this as a real service to Village residents. The vendors must provide a copy of the license from Montgomery County, and a certificate of insurance naming MVF as an additional insured. Staff, of course, carefully monitors these events and understands the importance of making sure the vendors are adhering to all Montgomery County permitting requirements.

We hope to see all residents at The Reagan Years concert or other concerts over the summer.

County offers Energy Efficiency Program

Habitat for Humanity Metro Maryland (HFHMM) and the Howard County Community Action Council (CAC) are partnering with Montgomery County Department of Housing and Community Affairs (DHCA) to administer an Energy Efficiency Program (MCEEP) aimed at reducing overall energy usage in the homes of qualified Pepco customers.

While the program is designed and funded by Montgomery County DHCA, the program is being administered by two nonprofits that already have programs providing similar types of services within Montgomery County. This program is a Montgomery County Program and is not affiliated with or the same as Habitat for Humanity Repair and Weatherization programming for existing homeowners; for more information on this or other HFHMM programs, visit www.habitat.org/us-md/silver-spring/metro-maryland-inc-hfh.

Through the MCEEP, homeowners in Montgomery County may be eligible for various energy efficiency upgrades throughout their homes including:

- Increase to existing attic insulation
 - Energy efficient furnace/AC/heat pump upgrades
 - Energy efficient water heater replacement
 - LED or fluorescent lightbulb replacement
 - Solar powered attic fan
 - Chimney sealing
 - Energy Efficient upgrades to major home appliances
- Homeowners interested in

the program must meet the following eligibility requirements:

- Be a current resident of Montgomery County
- Own the home where services are requested
- Live in the home where services are requested
- Be a Pepco customer for home energy usage
- Provide proof of income for everyone 18+ in home
- Be able to provide copies of most recent utility bills
- Have a household income at or below 68% of AMI (see table)

# Members of household	Maximum household income (gross)
1	\$52,550
2	\$60,050
3	\$67,550
4	\$75,050
5	\$81,100
6	\$87,100
7	\$93,100
8+	\$99,100

In addition to the above requirements, the ideal candidate:

- Experiences high utility bills (especially electrical)
- Has old or poorly functioning major home appliances
- Has gas or electric heat system that is older than 10 years
- Has a gas or electric water heater that is older than 10 years

To apply for the MCEEP program, visit <http://habitatmm.org/montgomery-county-energy-efficiency-program>. For more information, contact Project Manager Katie Temple at 301-990-0014, ext. 19 or e-mail Repair@Habitatmm.org.

Village Pools

Continued from page 1

weekend and weekday hours; the 2018 Pool Schedule is available online at www.montgomeryvillage.com, and is posted at each of the pools.

Lake Marion, Stedwick and Peggy Mark pools will remain open through Labor Day, Monday, Sept. 3; the other four pools will close earlier

in August—check your pool schedule for details. Stedwick Pool will remain open through Sunday, Sept. 30—the advantage of the heated pool is opening earlier and staying open later each season.

Residents are reminded to get their activity cards early in order to enjoy the pools.

The MVF Office, 10120 Apple Ridge Road, is open until 7 p.m. on Thursday evenings and from 9:30 a.m. to 12:30 p.m. on Saturdays through July 7. Get your cards or updated stickers and enjoy the pools this season!

Montgomery County Stormwater Summit for Homeowners

Sustainable Maryland, an initiative of the Environmental Finance Center at the University of Maryland, is pleased to invite residents of Montgomery County homeowners associations, civic associations, neighborhood groups, congregations, businesses and engaged residents to attend the Montgomery County Stormwater Summit for Homeowners, scheduled from 6 to 8:30 p.m. on Wednesday, June 6 at Brookside Gardens, 1800 Glenallan Avenue, Wheaton.

Attendees will learn more about how Montgomery County residents can play a vital role in improving water quality in local streams and rivers, and also help beautify their properties while saving money!

Participants can learn about the county's RainScapes stormwater management incentive program, where homeowners can receive rebates for rain barrels, pervious pavement, dry wells, rain gardens and other conservation landscaping

measures, as well as how to receive credits of up to 80% off the Water Quality Protection Charge (WQPC) by employing specific stormwater management techniques.

Homeowner associations can also receive assistance with pet waste management and litter reduction, as well as financial incentives for stormwater management measures on community properties. And all community organizations can learn how they can benefit from creating a Stormwater Action Plan to address a variety of issues in their neighborhoods.

The event is free, and light refreshments will be served. Grant funding for this initiative is provided through the Montgomery County Water Quality Protection Fund.

Watkins Mill Road resurfacing project

The Montgomery County Department of Transportation (MCDOT) Division of Highway Services announced that they will begin resurfacing Watkins Mill Road in May, with a multi-step process to include surveying, concrete repairs, full depth patching, pavement milling, utility adjustments and paving with a hot asphalt mix. The project is expected to take between 6 and 8 weeks to complete and will be performed between 9 a.m. and 5 p.m. Monday through Friday.

During the project, continuous traffic will be maintained, and drivers should be aware that this will include

some temporary lane closures. Drivers should also proceed slowly and safely through the work site. While repairs are underway, personnel and construction vehicles will be moving around the site. Some materials may be stored in the area; use caution when walking or driving in the construction zone. Watch for flagmen and temporary signs or traffic control devices.

For more information or questions, contact Project Manager James Kisner at 240-777-7631, e-mail mcdot.highway@montgomerycountymd.gov or visit www.montgomerycountymd.gov/DOT-Highway.

The following is information taken from the Recent News Summaries of the Montgomery County Police Department and is not a complete listing of every incident.

AGGRAVATED ASSAULT

An aggravated assault occurred in the 9600 block of Lost Knife Road in the early morning hours of April 22. One suspect displayed a weapon and assaulted the adult male victim. Suspects: 2 H/Ms, ages unknown

Activity Card Update 2018

Despite the cool weather, summer is right around the corner. Make sure you take these necessary steps to ensure that you will receive your Activity Cards on time! You should be receiving an Information Letter and Rights Form (if needed) soon. Even if there are no changes, we need a current Information Letter every year in order to process Activity Cards. If you haven't received the Information Letter/Rights Form by mid-week next week, please notify the Montgomery Village Foundation (MVF) as soon as possible.

Residents of Stedwick will be receiving new photo Activity Cards this year. Residents from communities that received photo Activity Cards in previous years – East Village, Eastgate, Maryland Place, Middle

Village (Clubside) Northgate, North Village, Patton Ridge, Poplar Spring, South Village (Dockside, Millrace, Nathan's Hill, Grover's Forge, Hamptons), and Whetstone – who do not yet have their photo Activity Card, will need to come to the MVF Office to get one this year.

Photos are now being taken at the MVF Office, 10120 Apple Ridge Road, during regular business hours, Monday through Friday, 8:30 a.m. to 5 p.m. (closed July 4). The office is now open until 7 p.m. on Thursday evenings through July 5 and also be open on Saturdays from 9:30 a.m. to 12:30 p.m. beginning May 12 through July 7. Please bring proof of residence, such as a driver's license, so that we may take your photo.

Please note, if an assessment account is not at a zero balance as of May 1, payment of any prior balance, as well as the full assessment amount through the end of the current fiscal year, must be received as a condition

for issuance of an Activity Card or Validation Sticker.

Residents will need a current Validation Sticker on their photo activity card for entry to all MVF, Inc. pools. Validation Stickers for the residents who have received their photo Activity Card in previous years will be mailed in early May, to those residents who have returned their Information Letter and Rights Forms (if needed), if their assessment account is current, and there are no architectural violations on the property.

We look forward to a fun filled summer! Please call 301-948-0110 if you have any questions about the Activity Card process.

STEDWICK SIGNALS

Spring cleaning has begun

by Terry Henderson

Once again, spring is here, and summer is coming up fast. Did you get all of your spring cleaning finished? You know, that stuff you have been meaning to take to the dump. If you're like me, you'll make multiple trips, the items may be too big for the car or you just don't have the time. Well, here is a possible solution and a reminder to all Stedwick residents.

Trash services are provided by Potomac Disposal. Trash is collected every Tuesday and Friday for regular household items. But in case you did not know, all homeowners are entitled to four free bulk pickups per year, for non-metallic items.

Just call Potomac Disposal to schedule a bulk pickup at 301-294-9700 or visit www.potomacdisposal.com/bulk-pickup. If you decide to request a pickup by signing up online, you will receive a confirmation e-mail within two hours.

Just remember, all Potomac Disposal bulk pickups are scheduled for Fridays only. Make sure that you place the bulk items next to your regularly scheduled trash Friday morning or no earlier than 7:30 p.m. of the night before. As mentioned in the above paragraph, please confirm date

of next scheduled bulk pickup before sitting the items out.

Montgomery County ordinance requires that trash be put out in vermin-proof containers, covered plastic or metal cans so that raccoons and crows cannot get into the trash and spread it around the neighborhood. For those of you who use plastic bags, please get covered trash cans.

Recycling services are provided by Montgomery County. Recyclables are collected every Tuesday in Stedwick neighborhoods except for Club Hill and Clusters I. Recycling in Club Hill is collected on Wednesday. Recycling in Clusters I is collected on Thursday.

Yard waste material can be recycled by placing it in the large brown paper bags available at most grocery and hardware stores, or in a container clearly marked "recycle," and set out on your regular county collection day. Dumping those materials on the common area is inappropriate and requires our maintenance contractor to pick up and dispose of them, a waste of our assessment dollars.

To contact the county about services, call 311 or visit www.montgomerycountymd.gov. For other information, be sure to check out the Stedwick Homes Corporation website www.stedwick.org or the Montgom-

ery Village web page, www.montgomeryvillage.com. Click "Communities" and select "Stedwick Homes Corporation." For specific home information and documents, sign in to your Member Dashboard.

Let's all strive to keep Stedwick and all of Montgomery Village communities free of trash. Please do not place unwanted items on our common areas. Just call and schedule a bulk pickup. Remember, it's free!

NEXT BOARD MEETING

The next Stedwick Homes Corporation meeting is scheduled for 7:30 p.m. on Wednesday, June 20 at Stedwick Community Center, 10401 Stedwick Road. Residents time is the first order of business, which is your time to share any ideas, comments or concerns on the community in which you live. Please try to attend; we would like to hear from you. In the meantime, if you have an issue, contact your Stedwick Homes Corporation community management team at 240-243-2326 or e-mail stedwickhc@mfvf.org.

Stedwick Signals: for residents of Club Hill, Clusters of Stedwick I, II, III, Forest Brooke, Frenchton Place, Ridges of Stedwick and The Heights.

NORTHGATE NEWS

Spring update

by the Northgate Board of Directors

At the May meeting, the board of directors approved funds to mill and repave Maple Leaf Court. The court has deteriorated more quickly than anticipated, causing paving funds to shift from other areas. A \$53,000 contract was awarded to A.B. Veirs & Sons, the best of the four bids received. Repaving of The Points will be delayed as a result, though the damaged area at the entrance will be repaired.

The McKendree courtyard work is nearing completion by Montgomery County, with landscaping items remaining to be taken care of.

Management will be meeting with a representative of Montgomery County to go over the concept of placing dog waste stations throughout Northgate. Once the county has presented its ideas, the board will review the idea.

We would like to caution residents to please keep your dogs leashed whenever they are off your property. We have received reports of dogs running loose, and in one case, a resident was bitten. Also, spring is nesting time for wildlife, so please stay away from the geese and other wild animals.

Once again: we truly have greater imaginations than what it seems like with the constant repetition of our trash information, but the message on trash still is not registering with some residents. We will keep repeating the Northgate trash information as long as problems in the community exist. Northgate provides ample resources to handle trash, including twice-weekly trash pickups and bulk pickups once-per-week as needed. The county provides once-

per-week recycling. With few exceptions, that should cover every resident's trash removal needs. Those exceptions can almost always be handled by taking the items to the Shady Grove Transfer Station, a short distance from Montgomery Village (MVA>Midcounty Highway>Shady Grove Road>Left on 355>almost immediate Left into Transfer Station).

The Points and Overlea have trash pickup on Mondays and Thursdays. Bulk pickups are Thursday. All the other neighborhoods—Apple Ridge, Dorsey's Regard, the McKendrees, Shadow Oak and Williams Range—have trash pickup on Tuesdays and Fridays. Bulk pickups are on Fridays.

Per Montgomery County Code, residents are responsible for providing containers with tight fitting lids for storage of solid waste in single-family houses and townhouses. All solid waste storage containers must be rigid plastic or metal, vermin-proof and equipped with tight fitting lids. The Division of Housing Code Enforcement enforces trash and debris on a property.

The Home Depot has 32-gallon trash cans with lids that cost from \$13 to \$15, depending on whether or not the can has wheels. Please take advantage of the reasonable prices and always place your trash out in a lidded container.

If you see someone dumping trash, please e-mail northgatehc@comsource.com. Your identity will not be revealed to anyone. Thank you!

Northgate News: for residents of Apple Ridge, Dorsey's Regard, McKendree I & II, Overlea, The Points, Shadow Oak and Williams Range.

SOUTH VILLAGE SCENES

Community cleanup in The Hamptons

by the South Village Board of Directors

We are looking for volunteers of all ages to clean the creek near 18037 Royal Bonnet Circle close to the playground at The Hamptons on Saturday, May 19, from 10 a.m. to noon. This volunteer event is a great opportunity for students to earn their SSL hours.

Children under 13 are required to be accompanied by an adult. This cleanup is sponsored by Montgomery County Department of Environmental Protection, who will provide tools, gloves and refreshments. We will meet at the playground near 18037 Royal Bonnet Circle. If you want to sign up for this event,

please contact Ana Arriaza at 240-777-7778.

MIDDLE VILLAGE VOICE

Trash in Middle Village

by the Middle Village Board of Directors

Placing bulk trash in the community is a violation that is subject to a fine; any resident caught dumping bulk trash on Middle Village property will be fined \$250. Homeowners will be fined if they or their tenants violate the trash policy. Trash policy violations include, but are not limited to:

1. Placing trash out in plastic bags instead of a trash receptacle with a lid.
2. Placing trash/recycling out on inappropriate days/non-pickup days.
3. Trashcans that are overflowing.
4. Placing trash out on common area spaces instead of in front of home.

Trash includes loose trash, bagged trash and trash in cans.

Are you making improvements or renovating your home? Please note that construction trash and debris is not permitted to be dumped in the community. Inform your contractor that they cannot dispose of the construction debris on Middle Village property. They must dispose of it off site. The resident will be fined if they or their contractor is dumping bulk trash, construction debris, furniture, etc. on Middle Village property.

REMEMBER

- Do not place household trash or recycling out until the evening before pickup or the morning of pickup. Any other time is a violation of the community trash policy and is subject to fines.
- Place the lid firmly on the trash can.
- If you have more trash than what your trash can is able to hold, purchase an additional trash can!

Note: If it does not fit into the blue recycling container, it is not recycling. If it does not fit into a 35-gallon trashcan, it is not normal household trash. If it is yard waste, it must be in a paper bag or bundled and placed out with recycling.

KIDS AT PLAY

Spring is here, and that means children will be out running and playing. Drive slowly through our community and keep an eye out for children crossing streets, playing in the parking lots and running from between or behind cars. Safety is everyone's responsibility.

STORM DRAINS

There are numerous storm drains located along the curbs throughout the community. Please do not dispose of any items in the storm drains other than water! Placing an item such as a water bottle in the drain may seem harmless, but it can be the start of a very costly problem, which can translate into increased assessment fees. Remember, no bottles; paint cans; or hazardous materials such as paint, oils, gasoline, etc. are ever to be placed in the storm drains. Help keep our community water system flowing efficiently and protect your property from flood damage.

ASSESSMENTS

We live in a community that requires every homeowner to pay assessment fees. Assessments are used to pay contractors for landscaping, snow removal, trash collection, collection of illegally dumped trash, lighting, repairs on community property, etc. If you are a homeowner, you were provided with this information during closing.

Reminder: Assessments are due paid monthly. Your payment must be received by ComSource on or before the 15th of the month to avoid late charges. Your regular payments allow us to continue providing services to our community.

Homeowners who are delinquent with their assessment payments must pay their past due balance in full or make arrangements to pay them. The

first step to making payment arrangements is to contact Delphine Matthews at 301-924-7355 or dmatthews@comsource.com.

BOARD MEETING SCHEDULE

Effective immediately, association meetings will occur every other month. The meeting schedule for the remainder of 2018 is as follows: Tuesday, June 26, Tuesday, Aug. 28 and Tuesday, Oct. 23. One of the parking permit distribution dates will be Tuesday, Dec. 4 instead of a December meeting. All meetings are held 7 p.m. in the Thomas Choice Clubhouse, 19401 Brassie Place, unless otherwise stated.

WHETSTONE WATCH

Whetstone update

by the Whetstone Board of Directors

The Whetstone Board of Directors met on May 10. Several residents were in attendance, and the meeting was productive. Here are some highlights.

DOCK UPDATE

The board voted to engage the services of a consulting engineer to help convert concept art into formal design documents, as well as supervise permitting, contract drafting and other necessary precursors to commencement of construction. This process has taken more time than anticipated and we are grateful for the patient support of Whetstone residents.

PAVING UPDATE

The board approved a contract for paving work that should commence shortly. This round of work will include repaving on the following streets: Keiffer Way, Blue Willow Lane, Haymarket Place and Ironhorse Circle. The maintenance committee is to be commended for its hard work and attention to the issue of paving, as well as our community manager for her work with prospective contractors to obtain contractual clarifications that were necessary before the board could approve this work.

Paving is expensive. It likely comes as no surprise that the board is not financially able

to repave the entire neighborhood all at once, so paving needs must be prioritized. This means that only a few streets can be paved each year.

The maintenance committee will be assessing the condition of our streets and making recommendations to prioritize repaving. A schedule for the next round of paving and selection of streets has not been formulated yet.

The board is always grateful for resident input concerning the condition of the streets and curbs in their area and other factors to consider when paving decisions are made. The board is committed to being transparent regarding these decisions.

Residents are encouraged to attend our meetings and to share questions and concerns with the board.

In an effort to communicate more effectively with our residents, the WHC board would like to update our board e-mail list. This allows you to receive meeting notices, agendas, emergency information, etc. This is not a neighborhood discussion forum. If you are not on the current list or have changed your provider, just send an e-mail to vermillion.whc@gmail.com.

Whetstone Watch: for residents of The Courts, Goshenside, Lakeside and the Ridges of Whetstone.

MILESTONES

Village artist selected for solo exhibit at the Delaplaine Arts Center in Frederick

Howard Clark, a 46-year resident of Montgomery Village, will be exhibiting about 20 exquisite photographs that were captured at "The Edge of Night." These include many images made in the "Golden Hour" (around sunrise or sunset) as well as several that were captured during the "Blue Hour" (the 30 minutes or so after the sun has gone down, but the sky has not yet turned black). While most of the images in this exhibit are landscapes, you might also find gorgeous scenes from nearby Annapolis, Arlington, Baltimore, Gettysburg, Rehoboth Beach and Solomons Island.

The exhibit, which will be in the second floor gallery, will open with a reception at the Delaplaine Arts Center from 3 to 5 p.m. on Saturday, June 2. There is no charge for admission.

The Delaplaine is located along Carroll Creek in Frederick, 40 S. Carroll Street, with plenty of parking next door. The Delaplaine is open 9 a.m. to 5 p.m. Monday to Saturday and 11 a.m. to 5 p.m. on Sundays. The exhibit closes at 5 p.m. on Sunday, July 1.

Saturdays, June 2 thru Oct. 27 | 9 a.m. to 1 p.m.

COMMUNITY SERVICE

Local nonprofit to provide free hearing screenings to public

In honor of May being Better Hearing and Speech Month, Live Better Foundation is offering free hearing screenings on Saturday, May 19 from 10 a.m. to 3 p.m. Hearing screenings are offered to the public to promote hearing health awareness and early identification of hearing loss. The event is open to all ages and is located at 19110 Montgomery Village Avenue, Suite 120.

"We are providing free basic hearing testing and treatment options for all members of the community. We look forward to providing this important service," says Jenifer Cushing, Au.D., President of Live Better Foundation.

Participants can call ahead to reserve a screening time or sign up at the event on a first-come, first-serve basis; to reserve a time, call 240-745-5779 or e-mail info@livebetterfoundation.org. Various health profes-

sionals will be present to provide their information as well.

"Better hearing is an option for anyone who wants it. We are ready to help," says Cushing.

Live Better Foundation was established as a 501(c)(3) in Maryland in 2017 by local audiologists Ross and Jenifer Cushing. The purposes of the organization include conducting community outreach programs to educate the public regarding hearing loss prevention; to help improve the lives of those with hearing loss through educational, healthcare, lifestyle and cultural programs; to support other charitable and educational audiology programs; and to coordinate with allied health professionals to provide community-based treatment and testing.

SCHOOL NEWS

Google Expeditions brings Augmented Reality Program to local Catholic school

Students at Mary of Nazareth School had the chance to experience augmented reality courtesy of Google's latest pioneer program. With Google's Augmented Reality (AR) technology, teachers can bring the world into the classroom to help engage students with immersive lessons. The technology maps the physical classroom and places 3D objects on students' desks so that everyone can examine the object together at the same time. Students can walk all around the objects, get in close to spot details and step back to see the full picture. The 3D objects are designed as a supplement to a teacher's existing lesson plan to help bring the subject to life.

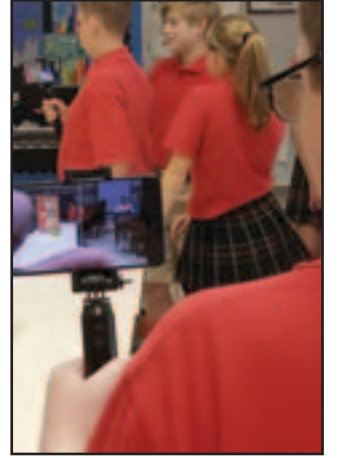

Middle School Science teacher Jennifer Massey spearheaded Google's visit to Mary of Nazareth. Students of all grade levels had the opportunity to experience the technol-

ogy across a variety of subject areas, including art, math, science, media, literature and social studies. Lessons ranged from Art History - Impressionism to Ecosystem of a Coral Reef to The Trojan War. Art teacher Laura Schneider said of her experience, "The Google Expedition AR allowed my art students to take a 'gallery walk' and observe a selection of prominent Impressionist art works by Claude Monet, Edgar Degas, Mary Cassatt and Camille Pissarro through a 3D experience. It provided an innovative approach to art appreciation through peer interaction and a personal encounter with the great Masters."

The AR Pioneer Program aligns well with Mary of Nazareth's STREAM initiative, which launched this fall. The initiative aims to integrate the individual disciplines of Sci-

ence, Technology, Religion, Engineering, the Arts and Mathematics, in a manner that promotes critical thinking, creativity and collaboration among students. Mary of Nazareth's students have benefitted from numerous experiential learning opportunities throughout the school year. Massey, a member of the school's STREAM Committee, also coordinated with the Maryland Agricultural Education Foundation earlier this year to bring a Mobile Science Lab on campus.

Mary of Nazareth, located in Darnestown, is a Blue Ribbon School of Excellence. The school has served families throughout Upper Montgomery County for nearly 25 years. Currently, Mary of Nazareth offers the primary grades of kindergarten to eighth grade, as well as a full-day preschool program for four-year-olds.

RECREATION

National Water Safety Month

May is National Water Safety Month, and with the start of summer around the corner, it is important for adults and children to review water safety tips to stay safe around the pool and the bodies of water found in Montgomery Village and elsewhere.

When thinking of water safety, most people think that only young children are at risk. However, drowning can occur at any age and is still a concern for teens and adults. Remember to never swim alone and only swim in designated areas supervised by lifeguards.

Never leave children alone around the water. If you need to leave the area, take your child with you. If you are at a house that has a pool, make sure the pool is fenced and the gate is secure. Always stay within arm's reach of young children and avoid distractions.

If a child does go missing, check pools or other water areas first—every second counts.

National Safety Council statistics point to drowning as a leading cause of death for children under the age of 4. Most children who drown, fall into a pool or are left alone in a bathtub. Never turn your back on a child you are supervising in or around water.

Review pool rules often throughout the summer, especially for younger children, and discuss why it is important to swim with a buddy.

For families with children who are learning to swim, arm floaties are not recommended because they can slip off or deflate; these devices give parents and children a false sense of security. Arm floaties are not meant to be a life-saving device. Please keep in mind only U.S. Coast Guard-approved flotation devices are allowed at Montgomery Village Foundation pools.

Most importantly, never think a child is "drown-proof" because they have had swim lessons. Even the most skilled swimmer can get into trouble in or around water.

For additional resources on how to keep everyone in your family safe this summer, visit www.stopdrowningnow.org, www.redcross.org, www.pool.safely.gov or www.NDPA.org.

Meet the Staff

North Creek Summer Club

North Creek Summer Club for children ages 6 to 13 is a flexible alternative to summer camp! Each day participants will engage in a variety of activities including art projects, board games, playground play and group games both inside and outdoors. Additionally, the program now has four

designated group swim days along with a mid-summer field trip and end of summer special guest!

North Creek's extended hours offer a full-day program for only \$360/Resident for the entire summer. For more information or to register, call 301-948-0110 or visit

DIRECTOR – EDDIE LATHAN

I have worked for MCPS and Montgomery Village Foundation for over 20 years. I currently work at Forest Oak Middle School. I plan to continue writing books for children as well as publish a book of poems. I will continue to learn and develop new and efficient ways of working with youth.

ASSISTANT DIRECTOR – JENNA BROWN

Hi! My name is Jenna Brown, and I am the Assistant Director of the North Creek Summer Club. I will graduate from Towson University this May with a degree in English Language Arts Education, and come fall, I will be working as a high school English teacher in Baltimore County! I have worked for MVF for over two years now and I am thrilled to be returning for another exciting summer. I hope to gain more experience in creating fun, meaningful memories for my campers over the summer so that I will be better able to build similar memories for my students in the fall!

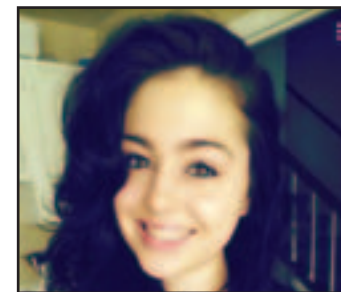

COUNSELOR – CASEY ORTIZ

I'm Casey Ortiz and I'm currently a student at Montgomery College. My future goals include finishing my degree in Education. My favorite things to do are playing soccer and video games. This summer I expect to learn to relax more and have fun.

COUNSELOR – CAROLYN KASIMATIS

My name is Carolyn Kasimatis. I currently attend Montgomery College and work at Longhorn Steakhouse as a hostess. My plans for the future are to keep working toward my Associate's degree and save up money for a car. While working at North Creek Summer Club, I hope to gain leadership experience, be an example to the campers and to help them have great new experiences. I hope to make this summer fun for the kids, me and everyone in camp.

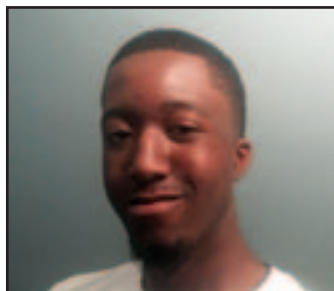

COUNSELOR – THADDEUS KWEME

My name is Thaddeus Kweme, and I'm a graduate of Watkins Mill High School. I'm currently attending Montgomery College and majoring in Cybersecurity. I plan on transferring to University of Maryland, College Park and joining the Naval or Air Force Reserves.

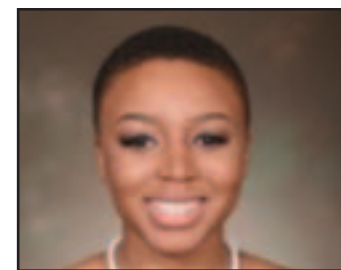

Aside from school, I currently work with Montgomery County Recreation's Excel Beyond the Bell afterschool program and at the Under Armour store at the Clarksburg Outlets. This will be my third year as a camp counselor with MVF.

My hobbies include playing basketball, listening to music and watching Netflix. I'm very respectful and responsible when it comes to the kids. I look forward to having a fun memorable summer with your child.

COUNSELOR – SYDNEY TUNSTALL

My name is Sydney Tunstall and I am thrilled to be joining the staff at North Creek Summer Club this year! I am currently finishing my senior year at Spelman College where I am majoring in English. This fall I will be attending University of Michigan to receive a joint Ph.D. in English and Women's Studies. This summer I am most looking forward to working with a great staff and getting to know and spend time with my amazing campers.

Creative Discovery 2018-2019 School Year

Creative Discovery is for students ages 3 to 4 years old (entering kindergarten in 2019/2020). Through engaged learning students will develop strong cognitive, physical and social skills which are the foundation for academic success. Daily activities focus on themes such as colors, science, numbers, technology and of course, the alphabet! We plan

our learning activities around MCPS kindergarten requirements in order to ensure that students are up to speed and ready to shine in elementary school. For more information or to register, contact Melanie Maggi at 240-243-2338, e-mail mmaggi@mvf.org or visit www.montgomeryvillage.com/recreation/creative-discovery.

The herb garden is back!

On May 5, the Montgomery Village Garden Club revitalized the MV Herb Garden located at the North Creek Nature Center, 20300 Aspenwood Lane. Thank you to Paula Brooks, Nina and Myron Chace, Carol Plummer, Keith Silliman, Sara Harris and Geri Matise for their work to bring back this public service.

In 2017, the Montgomery Village Herb Garden was established as a joint program of the Montgomery Village Foundation and the MV Garden Club. At that time, the space was cleared and the containers were purchased. This year the containers were moved forward to receive more rain water, and the area was expanded in order to install a trellis. During the Herb Garden Kick-off event, there was a demonstration on how to build a bean trellis using recycled items, and the planters in the community herb garden were replanted.

Some plants survived the winter – the mint, much of the Beebalm, an in-

ground lavender plant and some thyme – but most of the planters had to be restocked with oregano, rosemary, sage, lavender, edible marigolds, basil, cilantro and thyme. Plastic bottles provide a simple irrigation system within the planters. The ground around the planters was improved with enriched material and planted with marigolds and other hardy annuals.

A bean and pea trellis was constructed with bamboo and string. The bamboo was free, harvested from

MVF property and dried for a month to prevent sprouting. An irrigation system was demonstrated using a plastic bottle and string for directing water flow directly to the roots.

A sign was made from three pieces of bamboo connected together and lashed to two bamboo poles. It may be replaced later in the season, but for now it directs residents to the area. Residents are welcomed to take herb cuttings throughout the year.

Deep Water Running and Conditioning

Deep Water Running and Conditioning is a great no-impact, high intensity program for all! Emphasizing cardiovascular strength, endurance, core strength and range of motion, this challenging water workout benefits everyone from active

exercisers to tri athletes. Floatation belts are provided by instructor.

Classes are scheduled from 6:15 to 7:15 p.m. on Wednesdays, May 23 through June 13 at the Stedwick Pool, 10401 Stedwick Road. The program costs

\$36 for the full session or \$10 per class for drop-in students.

All participants must have a valid MVF Activity Card or purchase a Class Pass. For more information or to register, call 301-948-0110 or visit www.montgomeryvillage.com.
